KAKO POKRENUTI PUNJENJE

Započnite s punjenjem vozila putem aplikacije espoTs ili prepaid RFID kartice (dostupne u T-Centrima Hrvatskog Telekoma) ili aplikacije inozemnog pružatelja usluge punjenja kojom upravlja neki od *roaming* partnera navedenih dolje.

HOW TO INITIATE CHARGING

Initiate charging of your vehicle via the espoTs application or a prepaid RFID card (available at Hrvatski Telekom's T-Centres) or your electric vehicle service provider's app operated by one of the roaming partners listed below.

U SURADNJI S / IN COOPERATION WITH:

plugsurfing

HUBJECT

Gireve

espoTs

PREUZMI TE APLIKACIJU ZA USLUGU PUNJENJA
ELEKTRIČNIH VOZILA SKENIRANJEM QR KODA

DOWNLOAD THE ELECTRIC CAR CHARGING
SERVICE APP BY SCANNING THE QR CODE
