OSNOVNE INFORMACIJE

🕒 **PON – NED 0:00 – 24:00**

📖 **UVJETI KORIŠTENJA PUNIONICE**

Opći i komercijalni uvjeti korištenja punionice dostupni su na hrvatskitelekom.hr/poslovni/ict/e-mobilnost (QR kôd gore).

UPUTE ZA PUNJENJE

Započnite s punjenjem putem:

espoTs aplikacije

1. Upišite "espoTs charge" u aplikaciji Google Trgovina Play (za Android uređaje) ili "espoTs" u aplikaciji App Store (za iPhone) i preuzmite espoTs aplikaciju.
2. Otvorite aplikaciju i kreirajte korisnički račun.
3. Pokrenite čitač QR kôda i skenirajte QR kôd iznad odabranog priključka ili kliknite na punionicu u mapi aplikacije i slijedite upute na zaslonu.

prepaid T-RFID kartice

Za početak ili završetak punjenja pristonite karticu na označenu mjestu za "log in" i slijedite upute na zaslonu punionice. Kartica je dostupna u T-Centrima Hrvatskog Telekom.

MAIN INFORMATION

🕒 **MON – SUN 0:00 – 24:00**

📖 **TERMS OF USE OF THE CHARGING STATION**

General and commercial terms of use of the charging station are available at hrvatskitelekom.hr/poslovni/ict/e-mobilnost (QR code above).

CHARGING INSTRUCTIONS

Start charging by way of:

espoTs app

1. Type "espoTs charge" in the Google Store Play app (for Android smartphones) or "espoTs" in the App Store app (for iPhone) and download the espoTs app.
2. Start the application and create your account.
3. Start the QR code reader and scan the QR code above the selected socket or click on the charging station on the app's map and follow the instructions on the screen.

prepaid T-RFID card

To start or end charging, lean the T-RFID card against the log-in sensor and follow the instructions on the screen. The T-RFID card is available at Hrvatski Telekom T-Centers.

ROAMING PARTNERS

For international users:

Charging is also available through contracted roaming partners of Hrvatski Telekom – PlugSurfing, HUBJECT and Gireve.
